Traditional Service at your convenience

Classic Conveniences is a premier provider of first class portable toilet facilities. With years of experience and the very best equipment available, we ensure that the most important facilities for any gathering, large or small, be it a private party or corporate company function, are supplied with the utmost discretion and care. Our dedicated staff are only too aware of the huge difference that quality service can make to your event, and constantly strive to provide just that.

Standard Features

- Wooden Floor/Carpets
- Curtains
- Gold or Chrome Taps
- Automatic Air Fresheners
- Full Length Mirror
- Subtle Interior Lighting
- Pictures
- Warm Water for Hand Washing
- Fine Soaps and Hand Creams

*perfect for
every
occasion*

We can also offer an Attendant Service and Generator Hire.

Luxurious portable toilet hire

We offer a wide range of units to cater for both small and large events. Our units can be incorporated into marquee structures if required. All our units are delivered fully stocked and ready for use. The only item we require is a 13 amp power supply... it's as simple as that. Our units are fully self-contained and therefore we do not require mains water or drainage.

We at Classic Conveniences take pride in our units and the service we provide. We appreciate how important your event is to you and are happy to help in any way so that you can concentrate on the more important consideration... your guests.

Introducing Flexiloo

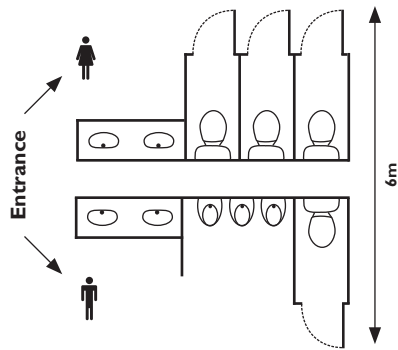

Flexiloo is an innovative design which has been specifically designed to provide superb toilet facilities in any location. The folding design enables clients to have totally integrated facilities in any indoor or covered structure. All components are based on a width of 0.9m, standard size doorway, allowing them to be installed in any configuration. Flexiloo loo uses environmentally friendly vacuum technology, has minimal water requirements and is non chemical. We require 2 16 amp supplies and Flexiloo can be connected to either mains drainage or storage tanks.
